OBJECTIVE

Motivated and responsible university student seeking to gain valuable work experience in a Computer Science internship. Leverages strong problem-solving skills, a proven ability to collaborate in team environments, and a solid academic foundation to contribute meaningfully to projects and learn hands-on in a professional setting.

WORK EXPERIENCE

University of Alberta Event Staff

Event Staff

Winter 2016 to Winter 2025

As a member of the event staff team for university athletic games, I was responsible for a variety of duties to ensure that events ran smoothly and safely. This included enforcing admission procedures and ensuring that attendees followed venue rules and guidelines, as well as providing security and responding to any issues that arose during games. I also worked as a timekeeper and “ball boy” during games. In addition, I received training in crowd control and emergency response, and used my customer service skills to interact with attendees and address any concerns or issues that arose. Finally, I supported event set-up and tear down as well as performing general duties as required.

Grade A Cleaning

Truck Lead

Spring/Summer 2023

Truck Lead

Spring/Summer 2022

Window Cleaner

Spring/Summer 2021

As a Truck Lead for a residential cleaning company, I supervised a team of workers in cleaning gutters, windows, and outdoor surfaces using pressure washing equipment. This role required the operation of the company truck and for ensuring the team completed their tasks efficiently and safely. In addition, I was responsible for training new crew members, communicating with homeowners, collecting payment upon job completion, and maintaining a high level of

customer satisfaction. This experience gave me valuable leadership, teamwork, and problem-solving skills.

Dollarama

Retail Associate

Fall 2020 to Winter 2021

During my time at Dollarama, I gained valuable experience in a variety of retail tasks, including cashiering, stocking, and inventory management. As a cashier, I developed strong customer service skills, providing friendly and efficient service. In addition, I was responsible for restocking shelves, organizing inventory and ensuring the store looked customer-ready. Overall, my experience at Dollarama gave me a strong foundation in retail operations and customer service.

Gator Construction Group Inc

Construction Laborer

Summer 2020

Operated a variety of heavy equipment, including jackhammers, asphalt cutters, and concrete saws, to break up and remove damaged or deteriorated pavement and concrete surfaces, creating a smooth surface and level foundation for concrete pouring. Worked collaboratively with other team members to complete projects on time and to a high standard of quality. Maintained a safe and organized job site, with a focus on safety protocols and procedures. Demonstrated a strong work ethic and commitment to producing high-quality work in a fast-paced, demanding environment.

EDUCATION

Bachelor of Science in Computer Science, University of Alberta, Edmonton, AB, Fall 2025.
